CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

SSC MAT. FUAN.

30 July 1975

Mr. James D. O'Flaherty
Select Committee To Study Governmental
Operations With Respect To Intelligence Operations
United States Senate
Washington, D.C. 20510

Dear Mr. O'Flaherty:

Attached are copies of the Chile Track II messages requested on 28 July 1975 in connection with your review of the Track II chronos. Messages [redacted] and [redacted] are not included since they still cannot be located. A search for these documents is continuing. Messages [redacted] is not included since it did not involve Track II. If you desire, we are prepared to discuss this particular item with a Select Committee staff member. We would also like to discuss the request for Headquarters message [redacted] since this appears to be in error. This message number does not appear in the Track II chronos.

Faithfully yours,

Declassified and
Approved for Release
July 2000
